| 11/03/15 – 2456 | That the Board receive and file the School and Division Improvement Accountability Report.
- Young | Carried |

Committee Reports

Standing Committees:

Higher Literacy & Achievement

Accountability Report presented today.

Next meeting will be November 23 and items for that meeting include discussion around survey and data from TTFM, reading initiatives, the Comprehensive Learning Framework and ESSP information.

Equitable Opportunities

Committee primarily looked at PAA but has now changed the mandate for this year. They reviewed, in great detail, the Human Resources Accountability Report from last year and discussed the format for this year, which will be presented to the Board at the December meeting.

Smooth Transitions

Met on October 26 and had a phone conversation with Lloydminster Public to discuss Prekindergarten programming – things we do the same, things we do different, and some of the challenges. We also had a conference call with Angela from the Ministry of Finance regarding their plan for Prekindergarten transportation legislation.

Committee is meeting again following today's Board meeting.

Strong System-Wide Accountability and Governance

Met October 20. There are five outstanding items that will be coming to the Board once the committee has all their questions answered.

Advocacy and Networking

Held our first engagement session of the year – this one with the PSTA. Will be meeting with CUPE at a later date. This session gave us an opportunity to discuss staff appreciation as well as some of the concerns and challenges faced by the PSTA, such as workload and time.

A lot of advocacy done around cast iron water replacement in Moose Jaw. Further meetings took place with government officials around clarifying legislation and where school boards sit in the Municipal Act that govern local improvement programs.

Rural Catchment and Transportation

We held engagement meetings with the SCCs from Caronport, Mortlach and Lindale regarding the catchment area for the Community of Caronport. All three meetings followed the same format and were very well received. Mr. Baldwin did a fantastic job and made everybody feel at ease and engaged at these meetings.

After the meetings, Mortlach was, for the most part, not in favour.

Lindale thought it would help with the overcrowding at their school but were most concerned about them remaining a rural school and not opening up boundaries for city students. Caronport was in favour but school boards sit in the Municipal Act w4.5 Tw [FurtheeTD .0003 1 .0003 Tw (

Adjournment

11/03/15 – 2457

That the meeting be adjourned at 1:36 p.m.
- Wilson
